Bagging ice from Fire company and keeping in their freezer at the firehouse.

Will be using 2 flat grills, hotdog roller, borrowed from MHCOG along with 2 roasters, one for barbeque and one for baked beans. Sternos and pans to be used for keeping hotdogs and hamburgers in lipton onion soup mix warm. Karen Bream will make a couple donation jars to be kept near food serving table. Will be using low-cost utensils so not to be concerned with losing them.

Possibly 11 people to be helping with food line. Eric Hollinger and Marlin to take care of Hamburgers and hot dogs. We will need runners to pick up ice and any other things that might be needed.

Shaved ice, Volleyball, Cornhole and Central Pa. Canine Rescue will all be on their own. Karen Johnson and Heather will take care of raffles. Pizza, Randy, Donna and Sue.

HOLLY FESTIVAL

Annan reported we have 25 vendors so far. She has advertised in the Guide for vendors and has had some good results. She and Tom will discuss new advertising ideas after the July 30th event. Lois will talk to Ryan Boyles to do the advertising flyer to be shared. Annan and Cathy will be checking prices for some advertising signs that can be placed in yards stating HOLLY FESTIVAL, 3rd SATURDAY IN SEPTEMBER.

Karen will talk to Home Depot about kid's activities. Gay will be inquiring about a booth for information of lantern fly's and ticks.

HALLOWEEN PARADE

Lois contacted Ray Thomas, who has agreed to be our Emcee again. Karen Johnson sent out letters and insurance certificates to Family Dollar, Mt. Holly Elementary and Ahlstrom. Eric Hollinger, Karen Johnson and Susan Day will be our judges. Barb Boise sent letters to all businesses for donations. We will take care of the next phase at our August meeting. We will need the registration form at that time to put on website and send to School Bands, Color Guards, Dance Groups, etc. We need to inform Jim Hoerner to have new date put on our banner.

NEW BUSINESS

Tom reported that sand will be coming for 2nd volleyball court. "Lake trine" is now level with the road. Slusser will be blacktopping the area for basketball court and would eventually like to have lights by basketball and volleyball courts. Also, an addition of a new 30 by 60 pavilion is in the near future. \$19,000 from county grant.

Tichy Park playground equipment will be coming, and area will be blacktopped, not concrete. The swing set will be left until the equipment is in place. This may be on hold because of a water problem for residents. We will be talking about naming Cork Shildt with Tichy Park in some way as to honor his memory since that was very near and dear to his heart.

Brian Robertson would like to see Park and Rec get some much-needed security cameras for the Parks because of recent vandalisms.

Next meeting August 16, 2022

Motion to adjourn, Gay. Lois seconded.
